

Centennial '67 School Council

BATTERY CHALLENGE FOR

2018-2019 SCHOOL YEAR

Although last years battery challenge was a great success, this year we have decided to do something a little different.

This year we are going to have a challenge amongst **ourselves**.

This means, each **classroom** will be competing against each other. In 3 month intervals, (at the end of the challenges) we will be bringing the batteries (all types) into the recycling plant and bringing the money back to invest into the school.

We are going to run **3** challenges;

Now-December 18th- classroom winner gets a pizza party Dec 20th

Jan 7th-March 5th- classroom winner gets a pizza party Mar 7th

March 18th- June 18th- classroom winner gets a pizza party June 20th

There will be a bucket in every classroom and winner will be determined by how many buckets the **class** has submitted at the end of the challenge period.

We will be accepting all types of batteries, for bigger batteries please contact Amanda 613-913-2039 or Sara 613-327-2525 or email council directly at centennial67council@gmail.com.

Don't have a Centennial 67 cyclone at the school but still want to donate, contact us and we will arrange pick ups.
