

If you have any questions regarding the school, please email your child's teacher or the school.

We model and maintain a positive Facebook presence. A safe school is one where students, staff and families feel safe.

Reminder – Please do not drop off your students prior to 9:20 a.m.

Please call the office by 2 p.m. so your child's name can be added to the pick-up list. This limits class disruptions and end of day chaos.

Reporting a Child Absence

In accordance with our Safe School Policy, all absences must be reported to the school. When a child is absent from school and we cannot reach a guardian through the numbers provided, we must notify our local OPP to investigate.

To avoid this please ensure you report any absences by either method:

- Enter absence or late on your MFR APP
- Phone the school and leave a message any time prior to 9:20 a.m. that morning.

***To ensure consistency, please avoid emailing absences to your child's teacher or office admin. as we do not have access to their emails during their absence.**

Principal's Message

Wow, where did September go?

We have had a very successful transition back to school, we are so proud of all our Cyclones! We have been very fortunate with the weather thus far, but the fall temperatures will arrive. Please ensure your child is dressed for the weather, which on most days means layers. Morning temperatures can be chilly with the sun warming things up for the afternoon. It is very important to get outside for some fresh air, exercise and social interaction.

Thank you to all Volunteers, without you we would not have

been able to attend the Spencerville Fair or participate in Cross Country.

Thanks to all families that supported our Terry Fox Walk/Run. Together we raised \$1576.30

Lunches and Snacks -

Students are encouraged to bring a lunch, 2 healthy snacks and a re-fillable water bottle. **If you need support please reach out to the school.**

Allergies—As many of you are aware, some students and staff at our schools have been diagnosed with severe allergies to nuts, peanuts, peanut butter and nut products. In some cases, even trace amounts of peanut butter and/or nut products could jeopardize the life of a child/person with this allergy. Please do not send peanut butter or products containing nuts of any kind to school.

Imitation Peanut Butter or any soy butter is not permitted in the school as it is hard to differentiate these products from peanut butter or nut spreads. Your cooperation in this regard could save a life and is greatly appreciated.
